4, Sri Jayaram & Co

2 The lowest tender for the work is for Rs 30,561/- as against the estimated cost of Rs 19,000/- approved by Government in their order No 7060-4/41 (51-46-2 dated 15-11-46 which provides for substitution of 12" pipe for 9" pipe, resulting in an excess of Rs 11,561/- over the estimated cost The excess is mainly due to the increased cost in pipes and higher rates quoted by the tenderer for earthwork excavation A revised estimate as per tender rates will be submitted for sanction of Government after the receipt of the tender duly approved by Government
